Season's Highlights

After last year's Whitmont League Championship and victory over St. Paul, this year's team had a hard act to follow.

The Redbirds got off to a fast start in their opening game against the Monrovia Wildcats. Led by quarterback John Albini, the Cards streaked to a 21-0 halftime lead and held on for a 21-14 victory. As the season wore on, scoreless second halves became commonplace for the Cards.

The Cards remained unbeaten the following week as they defeated the Calhi Condors 14-7.

Next came the Cards' arch rival, the El Rancho Dons. An Albini to Cote touchdown pass gave Whittier an early 7-0 lead, but from then on it was all El Rancho as the Dons prevailed once again 31-7.

In the final pre-season game, the Cards met a weak Santa Fe team. Discouraged by the loss to El Rancho, the Redbirds had to come from behind to finally edge the Chiefs 16-13 and elevate their record to 3-1.

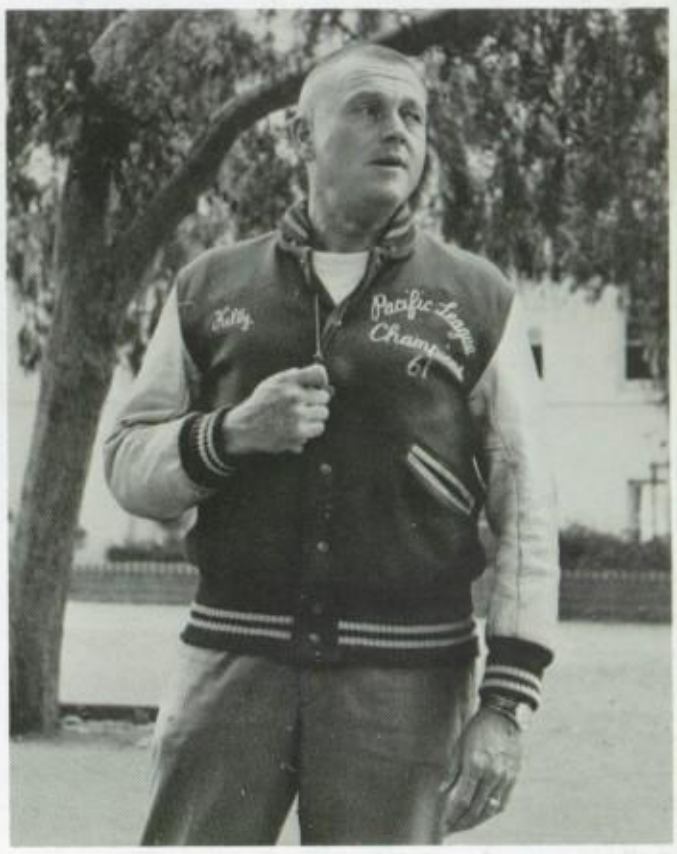
The next week's league opener against Monte Vista proved to be disasterous. The fired-up Mustangs ran right through the proud Whittier defense and recorded a 21-14 upset over the Cards.

The upstart Pioneer Titans then ended any hopes the Cards had of a league championship. Led by all-CIFers Ruben Elizalde and Junior Garcia, the Titans riddled the Cardinal secondary and rolled to a 41-0 triumph.

Then came one of the few bright spots of the league campaign. The Cards met the Spartans from Sierra and handed them a 26-21 defeat, even though they failed to score in the second half.

In the Cardinals' annual homecoming clash, the following week, the Redbirds met an always tough Montebello squad. With nothing but pride at stake for either team, the Redbirds took advantage of several key Oiler mistakes and went on to post a 21-14 triumph.

In the final game of the season, the Cardinals met the La Serna Lancers. Trailing 7-0 for the entire game, quarterback John Albini got the Cards even with a late fourth quarter plunge. Hunter's subsequent conversion was good and the game ended in a 7-7 tie.



Coach Kelly

Although the Cards ended up with 5-3-1 record, it was a disappointing season nonetheless. The Redbirds never could put it all together. This was demonstrated by the fact that the Cards scored but 21 pts. all season in the second half. The Cards were basically a running team with John Albini, Armando Carrasco and Jamie Noonan carrying the load. Jim Cote and Clay Harris led the receiving corps with 42 and 20 catches respectively. In past season balloting, six Cardinals gained all-league honors. Ron Eschilian and Jim Cote were selected on the first team. Chris Kachaturian, Jon Ford, John Jakymiw and Clay Harris received honorable mentions.

"Our Town", by Thornton Wilder, is a moving drama of life itself. The stage manager narrates the story of two neighboring families—the Gibbses and the Webbs—whose children, George and Emily, grow up together, fall in love and get married. At the close of the play, Emily dies in childbirth and then decides to revisit life for one day. There, unhappily, she finds that live people take life, beauty and love for granted. This consciousness of existence is Wilder's timeless and timely message.

Whittier High's fine production featured a cast of 50 actors and actresses, who underwent an 8-week schedule of rigorous rehearsals.

S.T.O.P.

Students to Overcome Pollution is a club on campus that is concerned with Ecology, the natural order of all living things. S.T.O.P. was organized by a small group of interested students in late March of 1970. The President then was Mark Lawrence and their activities consisted of Earth Week demonstrations, assemblies, and a United Campus clean up. The President this year is Steve Ward. Their activities this year involve another Earth Week, Campus cleanups, and Ecology Fair on Greenleaf, planned by Grassroots. Again a combination of Ecology groups and concerned citizens of Whittier, and of which S.T.O.P. is a member.

Senior Farewell

Your four years of high school are over. Your experiences, successes, disappointments, dreams, your school life with us here has drawn to a close. Somehow, you find that education begins to take on a new significance and meaning.

You treasure your experiences here but the real reason for those experiences isn't fully known to you until you carry your knowledge into tomorrow. Then the full importance of these four years here becomes evident.

Drug Awareness

This club is in its second year. The purpose is to help younger students become aware of the serious drug problems existing today. The members of the club make frequent visits to elementary schools. There they talk to them about drugs and try if possible, to answer their numerous questions pertaining to this abuse.

Ski Club

This year the Ski Club was added to the list of W.H.S. student activities. Student demand was great for the establishment of an organized club where the "snow people" could get group rates and transportation to the better ski areas.

Dedication
Mr. Robert Casjens

This year we are proud to dedicate this annual to a well known and admired teacher, Mr. Robert Casjens.

Those of you who know him personally, know that he has a motto: God Will Provide, and it looks as though his motto holds true, not only has he been provided for but has provided for his students a very important thing; knowledge. He is the kind of man who will try to understand instead of passing judgement.

In high school he was the Senior Class President. In college he edited the annual for a year. He started his teaching career in 1953 and is now teaching government, English and Psychology. Just recently he received his PhD in psychology.

These however are just mere facts compared to the kind of man he is. He never gives up which has proven to be very rewarding to him and his students.

We love you Mr. Casjens and we sincerely hope you will enjoy this annual as much as we did dedicating it to you.

Redbirds

Since the Redbirds are A.S.B. Pepsters, their responsibilities center around Pep Activities. They are expected to go to all Varsity Football games, and all home basketball games. In addition, they are usually present at Pep Assemblies and Pep Rallies. The Redbirds are chosen in by the preceeding year's outgoing Redbirds on the basis of sincerity, originality, and school spirit.

SUMMER . . .

Mike – I've enjoyed knowing you through the past four years, especially this last one. Don't say goodbye Friday night and disappear forever; come back to visit!
Mrs. V.

Brings memories of the summer before-
Surfboards, picnics, hikes, trips
A labyrinth of fun.
Again the thoughts become games
A wanderlust I become
The breeze in my face
And the surf beneath my feet,
Classical spartans; Our Senior Athletes.
Awards, accolade of merit.
Art, sensitivity-in the face of nature,
Tennis, Golf,
Girls' and Boys' State representatives.
OH! Nurse, may I go home?

Summer is here,
We must part and say Goodbye.

What fun, the associations, the antics of childhood, the involvement which make this year one of joy. We sit back now and relive the events which brought tears of happiness; and maybe a drop of sadness. Each moment a jewel, a splice in time. Laughter now breaks as we conjecture. "Could I have been that silly"?

BOYS' STATE
Greg Frock

Girls' and Boys' State is a week long program held annually for outstanding high school students across California. According to A.S.B. President Greg Frock, the boys and girls who attend get first hand experience in the way the state government works.

"The main idea is to simulate state government and politics," the A.S.B. President continued. "As soon as a person arrives on the first day he is made a member of one of two political parties. Once this is organized the different parties choose candidates to run for the office of governor."

"During the week meetings, conventions and rallies are held by each of the two parties to promote their candidate. Towards the end of the week an election is held and someone is elected governor."

The whole activity takes place for the boys on the new fairgrounds for Expo '70 in Sacramento. The girls spend the week at U.C. Davis.

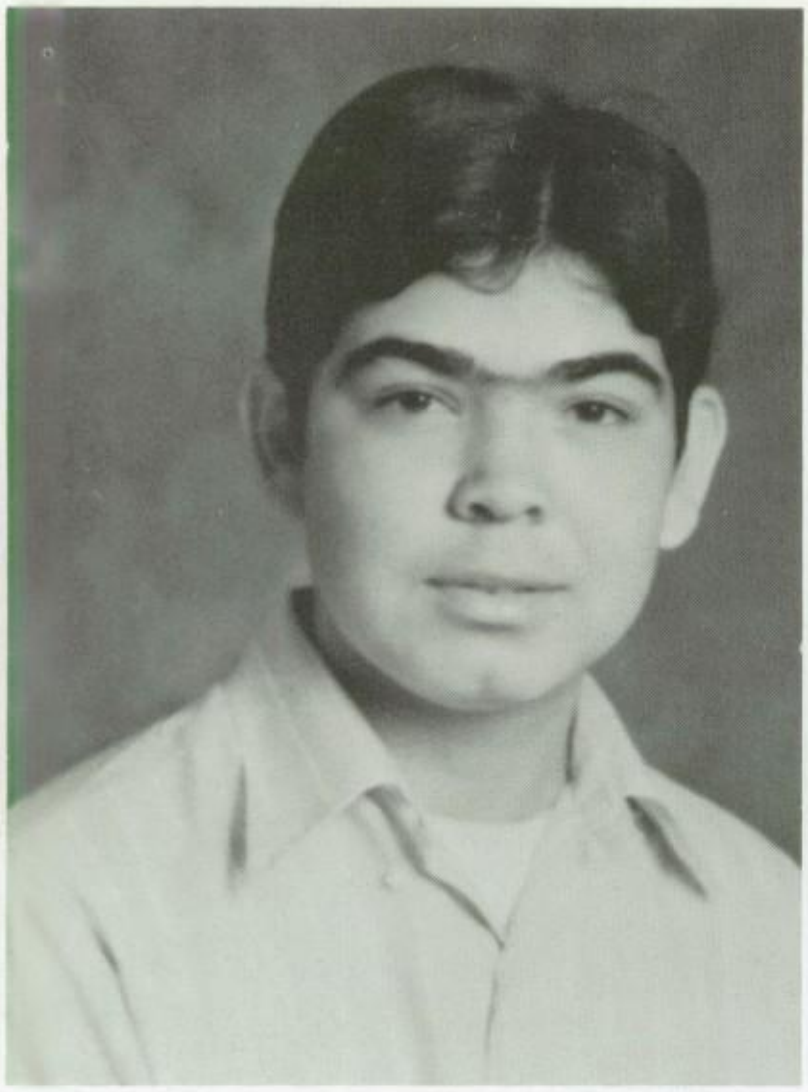
Retirements

We the Faculty and students of Whittier High School sadly bid farewell to three marvelous members of our staff. They have given us much of their dedicated time, efforts and smiles to make it always a perfect day. The memory of their presence will long remain a clear vision to all of us. To each of you, we salute in thankfulness and dedicate also Our 1971 Annual.

Memoriam



Paul Gonzales
October 6, 1955 - December 26, 1970

A tragedy occured last year, one that I'm sure shall leave a scar tissue in many a mind. Paul died while looking over the edge of a cliff which gave way under him. One of his teachers described him as the kind of boy who would never bring worries to his family; and who was loved and appreciated by his friends. She said he was a fine young man and an efficient student. Why is it that the good die young? Perhaps it is because they're ready for something better.

Margaret Withrow
February 18, 1922 - November 2, 1970

IN MEMORIAM:
Life Remembered

Miss Margaret Withrow was the sort of person who would remain calm even if you spilled white boot polish all over your red drill team uniform five minutes before the parade started.

In the 25 years she spent as advisor to the Whittier High drill team, songleaders, majorettes and flagsters, she shared in the joys, sorrows, and triumphs that follow marching competition.

She seemed almost merciless at times when preparing her groups for show, but when it was all over she always managed to find some good sandwiched in with all the bad.

The work payed off many times in the past years. Last year's drill team took fourth at the West Arcadia Band Review and took part in a sweepstakes victory at Chaffey and a first place at the Pioneer Band Jamboree.

The year before they won a third at Hawthorne and a sweepstakes (along with the band) at Pioneer.

Mrs. Pat Donnelly, one of her co-workers in the PE department, remembered Miss Withrow for her "friendly atmosphere with the students. She was very down to earth."

"She always had time to listen," was the comment of Mrs. Pat Borland. "She really seemed to care."

Drill team vice-president Maria Sanchez summed up the feelings toward her by remembering, "She had her own way of caring. You could never tell if she was joking but she taught me a lot. She gave so much to us, but she never expected anything in return, and it sort of taught me to be that way."

Miss Withrow passed away Nov. 2nd after a lengthy illness.

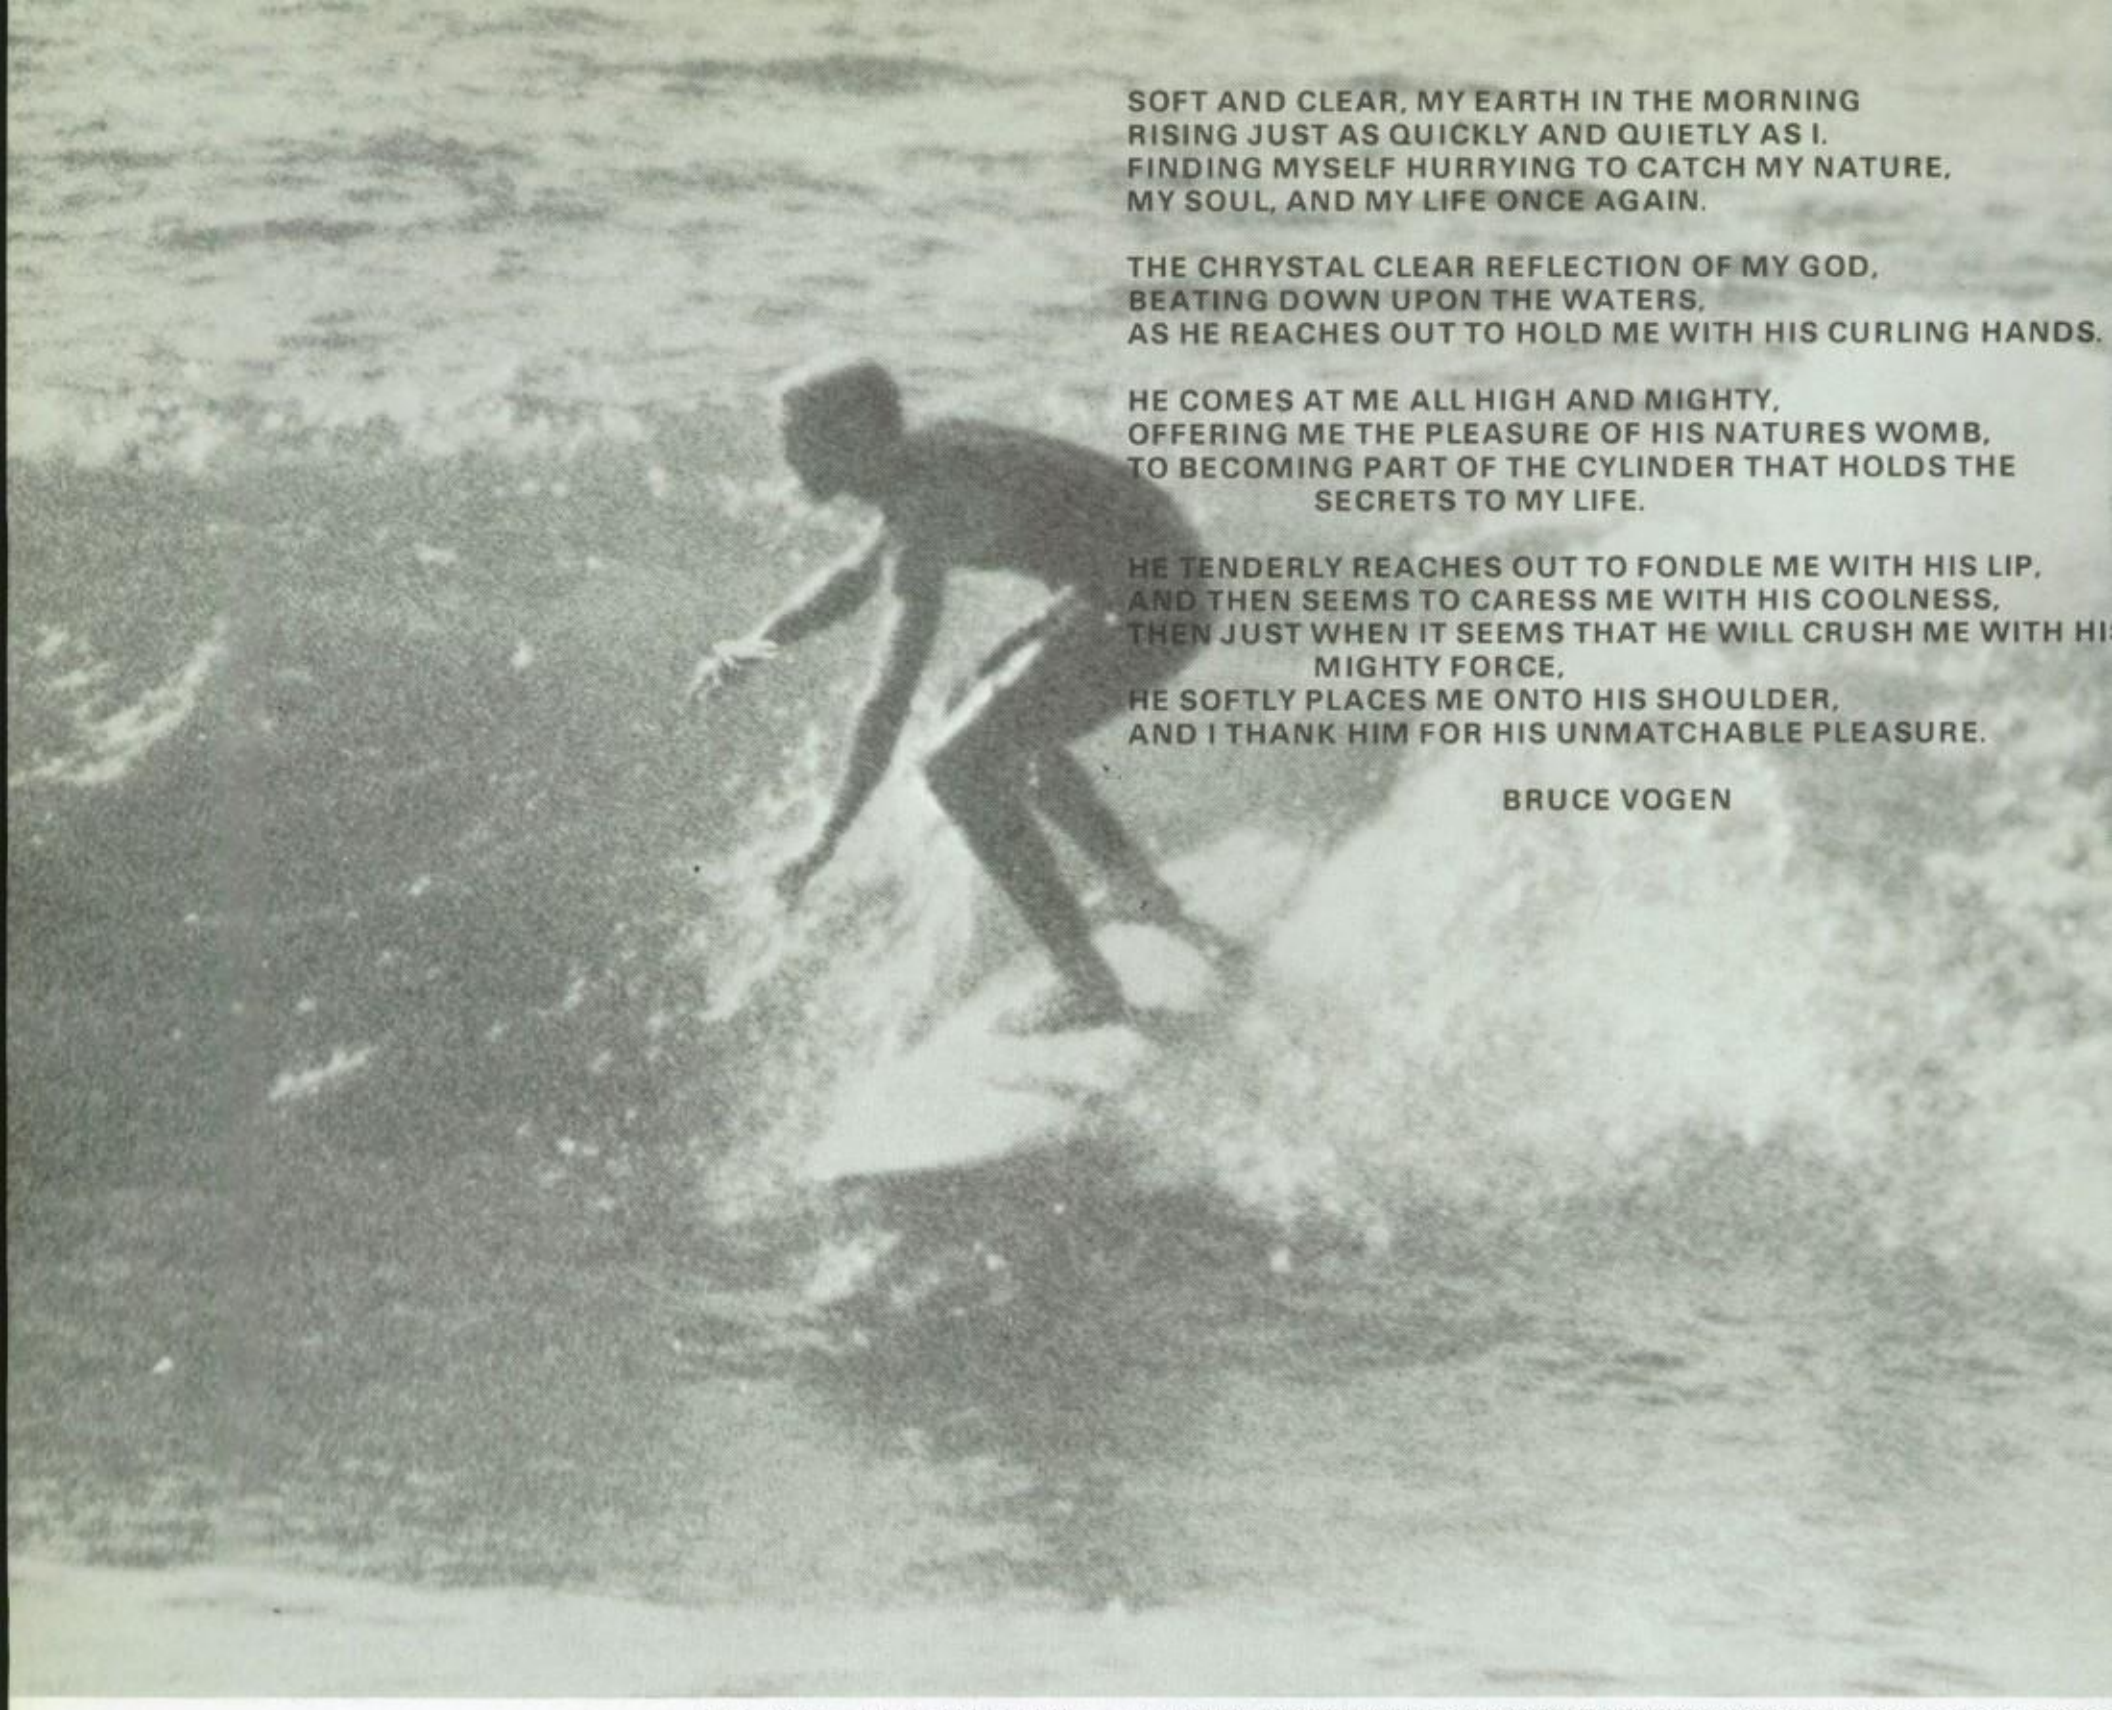
GO ON A SYMPATHY HOUR-DIET



SOFT AND CLEAR, MY EARTH IN THE MORNING
RISING JUST AS QUICKLY AND QUIETLY AS I.
FINDING MYSELF HURRYING TO CATCH MY NATURE,
MY SOUL, AND MY LIFE ONCE AGAIN.

THE CHRYSTAL CLEAR REFLECTION OF MY GOD,
BEATING DOWN UPON THE WATERS,
AS HE REACHES OUT TO HOLD ME WITH HIS CURLING HANDS.

HE COMES AT ME ALL HIGH AND MIGHTY,
OFFERING ME THE PLEASURE OF HIS NATURES WOMB,
TO BECOMING PART OF THE CYLINDER THAT HOLDS THE
SECRETS TO MY LIFE.

HE TENDERLY REACHES OUT TO FONDLE ME WITH HIS LIP,
AND THEN SEEMS TO CARESS ME WITH HIS COOLNESS,
THEN JUST WHEN IT SEEMS THAT HE WILL CRUSH ME WITH HI
MIGHTY FORCE,
HE SOFTLY PLACES ME ONTO HIS SHOULDER,
AND I THANK HIM FOR HIS UNMATCHABLE PLEASURE.

IN THE END

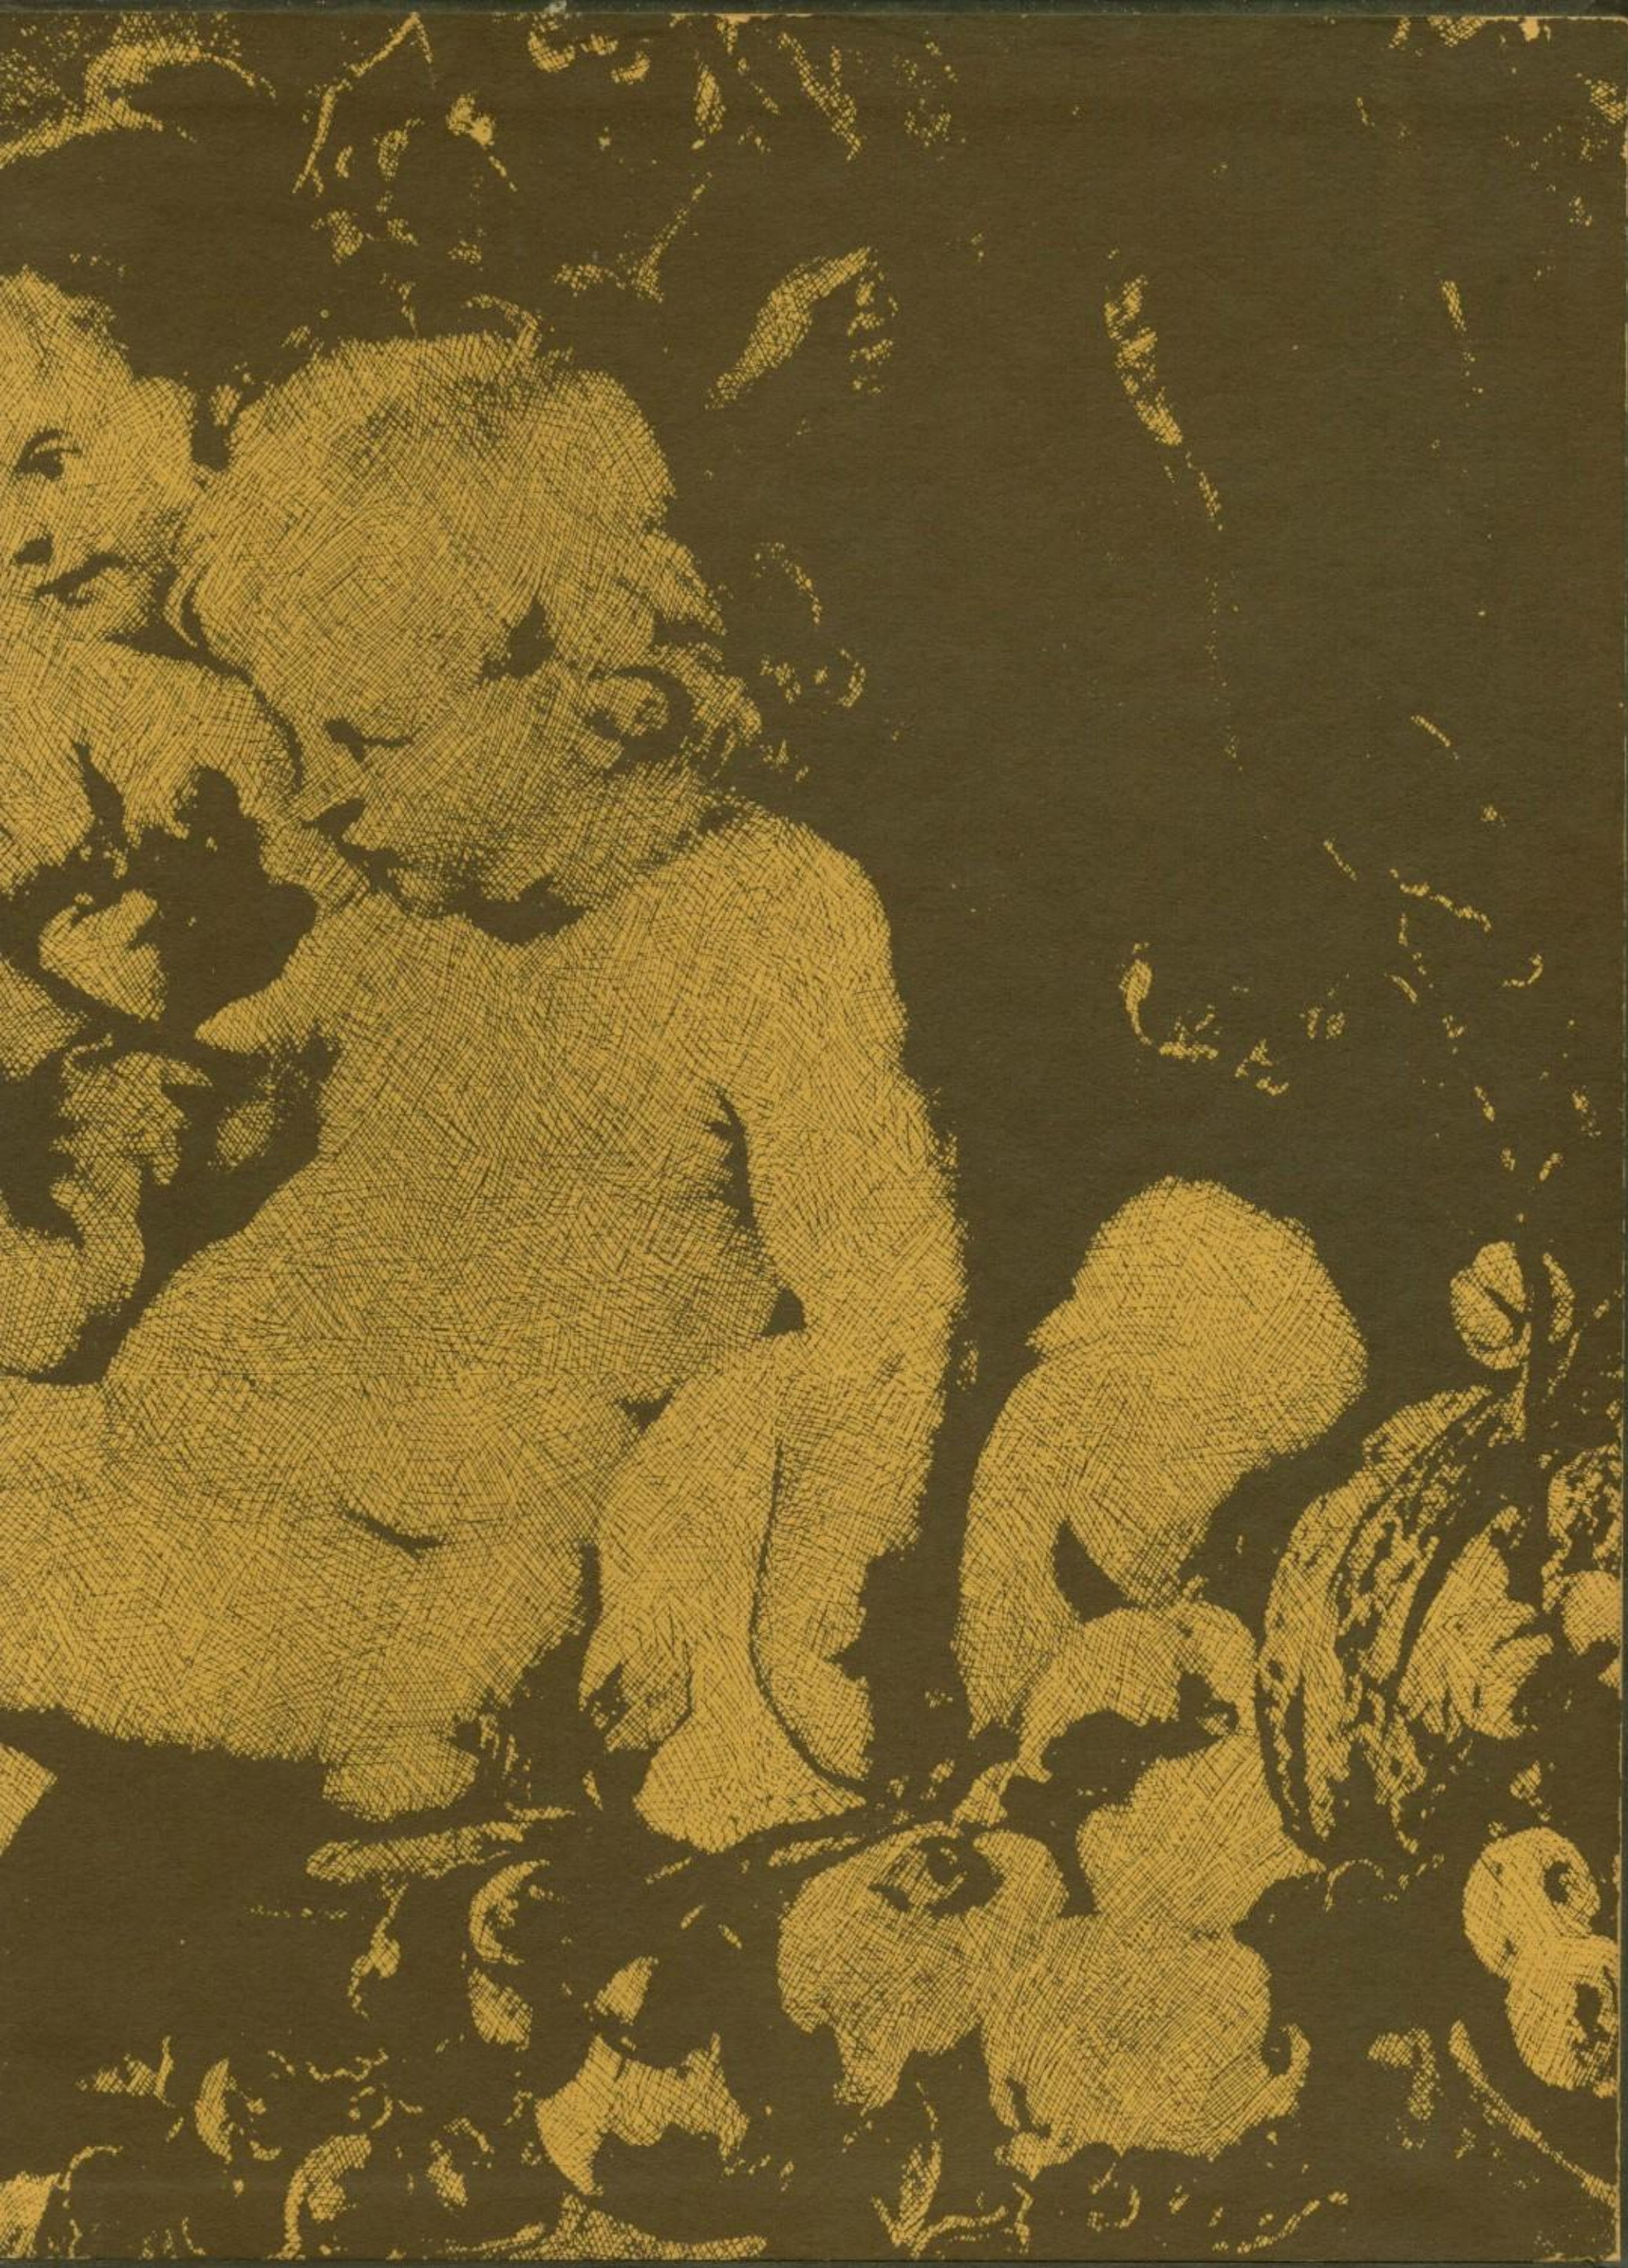
As the sun sinks beneath the earth, a strange breeze blows across the canyons of my mind, It is trying to tell me something that my ears have yet to accept. It is saying that a once common thing has come to an end. And as I look at the trees I wonder what the sun has in store for me. I wonder if it will shine in my soul like it has so many times before. And as I walk across the grass, I can read its feelings. It is wondering if it shall feel my footsteps during the early morning hours. The rooms wonder if they shall see me enter with a smile once again; and the desks wonder if I shall again rest my head on them. But I've only to be honest with them. As they all await an answer, my mind is at work wondering also what the future will bring, but I'm still in conflict with the past. I hear my name and I know they all want an answer from me, but there are still thoughts clashing in my mind; all at once I'm covered with blue, and I know the answer that I have searched for within my soul. I go to the voices that await me. I stand in front of the big tall structures and in sorrow I shake my head, and suddenly my eyes turn to tears. I say goodby and put out my right foot to take the first step . . .

Jane Fisher

Mike,

Thank you for all the philosophical discussions. From them I can tell you will be a great philosophy major. Maybe you should go into philosophical journalism so that we'd meet again sometime when I'm a Dick Cavett (female. (I can't stand women speakers of t.v.!) So far, and I could wish you good luck but as far as I'm concerned, wishing ~~that~~ I'm superstitious (sp?) Oh well, good luck is usually bad luck, not

farewell and maybe we'll meet
again in Heaven (ha!)

Love,


Barb
